An introduction to mixed media and an exploration of different techniques, mediums and approaches that can be taken in this exciting form of art making.

**Art Beginners Mixed Media Workshop** provides all the resources for you to discover your talents. No need to expend time and money purchasing brushes, paints and mediums that you may never use again.

**Day 1** Experimentation & exploring the possibilities of mixed media with different techniques, materials and ideas. Painting, drawing, frottage, collage, wax resist, sgraffito, pouring, stencilling, stamping. 3 exercises will be done today.

**Day 2** Depending on your choice of doing something representational, or non-representational: you may decide to bring your own references or extra materials for collage (images, paper, cloth, earth, sand, leaves etc) for today's exercise on stretched canvas.

**Plus, you** will have use of Pencils Paint Brushes, Fast Dry Medium, Binder, Impasto Medium, Modelling Compound.

**Baguette Lunch is included.**
