

Art Beginners Watercolour Workshop. 21st & 22nd April 2018.

Contact to Register by 13 April: Neil Hamilton 0408 852 101 Neil.Hamilton@Bizzsoft.com

Want to develop your skills in Art using Watercolours?

Art Beginners provides all the resources for you to discover all your talents. No need to expend money purchasing brushes, paints and mediums that you may never use again.

You will be provided with reference material, **Arches** watercolour paper and a limited palette of **Lukas** watercolour paint.

Plus: you will have use of Pencils & Paint Brushes

Baguette Lunch is included.

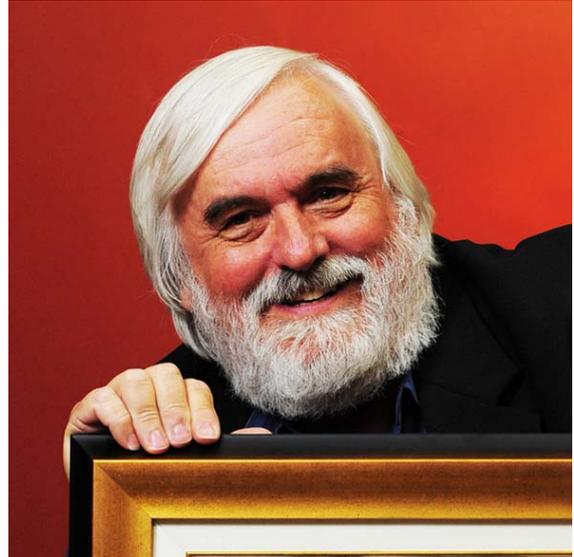

You will be shown two subjects from start to finish each day.

- materials, paints brushes, papers Pros and cons of cheap versus expensive
- how to select reference images for painting
- how to prepare the materials for painting
- getting the image on paper - drawing freehand versus tracing etc
- light and shade
- complementary colours
- colour mixing with a limited palette
- brush handling and mark making
- systematic step by step approach adaptable to any watercolour painting
- making corrections & self-criticism
- handling artwork - appropriate mounting and framing

The Tutor, **Gerhard Ritter**, MBA from SA University, has won numerous prizes in painting and sculpture. He believes in sharing his experiences and giving back to the

art community. Gerhard has been a featured contributor to Australian Artist magazine and produced a set of Portrait Painting instructional DVDs. As a member of several Adelaide art societies; He demonstrates and teaches oil and watercolour painting and clay modelling. He is regularly invited to judge at art exhibitions. <http://ritterart.blogspot.com/>

Day 1 Participants will paint one animal and one person.

Day 2 Today you choose your own person and animal subjects from the references provided.

9:30am setup for 10am to 4:00pm

Cost for 2 days: \$190
AAS members \$170

No refunds after 6 April.
