

## Richard Rogers Profile

**RICHARD ROGERS** is known for vibrant paintings of Australia's landscape, wildlife and people. A regular contributor to the Australian Artist magazine, his work has also featured in The Artists Palette and International Artist magazines

As a coach and tutor Richard specializes in teaching acrylics through workshops and painting demonstrations around Australia and the production of resources for artists. His relaxed and encouraging teaching style is coupled with a sound knowledge of mediums, different painting techniques and the principles of composition and design.

He has produced seven popular instruction DVD's and a Guidebook For Acrylic Artists.
